

## The Difference between Being Popular and Being a Good Friend

Compare the following lists, and ask your child which person seems more appealing to have around.

### A Popular Person...

is pursued by others.

is admired by others.

has what you want.

can do what he/she wants.

seems better than you.

thinks he/she is cool.

waits for you to smile at her/him.

is judgmental.

is impersonal or cold hearted.

### A Friend...

wants to be with you.

likes you and is liked by you.

has things in common with you that you share.

thinks of and cares about your feelings in what he/she does.

is the same as you.

thinks you're cool.

makes you smile.

sees another person's point of view.

is considerate and sensitive to others' feelings and needs.
