PTA Council President

PTA Council Officers

A huge thank you to our outgoing PTA Council Vice President Tiffany Sybert and Treasurer Karen Hoelscher. These ladies have worked tirelessly to support the PTA and we will miss them. Thank you to Heather Cole, our secretary, for all her great minute taking this past year and we are happy that she will continue for another year. We welcome Allison Gordon as Vice President and Johanna Silver as Treasurer for the 2011-2012 school year. Congratulations!

Scholarship Success

Our Sunset Shop and Share was a huge success with over \$400 raised for the Rohrabough Scholarship. Look for another Sunset Shop and Share in the fall and a Family Fitness Fundraiser next winter. To make a donation, send checks payable to James Rohrabough Scholarship to Kimberly Arakelian, 1250 Sanders Road, Northbrook, IL 60062.

President's News

Dear Parents,
It is hard to believe that the school year is coming to a close. I wanted to take this opportunity to thank all the parents, teachers and administrators for a terrific year. The PTA has a strong presence in our schools thanks to all of you. Without all your support the PTA would not be able to provide the breadth of services to our children, schools and parents. You all make a difference! Thank You for joining the PTA and being involved. For pta information, go to www.district27-pta.org. Have an enjoyable summer!

Rohrabough Scholarship Winners

The PTA Council raises money to support the school district's Dr. James Rohrabough Scholarships. This year the PTA donated \$6,500 toward the scholarship. Annually scholarships are given to graduating GBN Seniors who attended District 27 schools. The scholarships are awarded to students based on their academic achievement, involvement in activities and community service. This year four students received \$1,500 scholarships. They are Adam Cohn, Alex Rokni, Jamie Tolmatsky and Bonnie Williamson. Congratulations!

DOMINICK'S PARTNERS WITH PTA

Thanks to Dominicks' participation in the eScrip program, District 27 PTAs have raised approximately \$10,000. Marlyse Serlin and the eScrip committees at our schools have worked hard to enroll families and community members in the program. Through their efforts, membership in the program has more than doubled to 1,400 participants. The money raised goes toward new technology for our children. The Council PTA is giving a gift of \$10,000 this year to purchase new computers for grades K thru 5. Thank you for supporting this program. If you are not an eScrip member, enroll by going to www.escrip.com and enter your school.

Looking Forward to Fall

Planning is underway for PTA programs for next year. Now is the perfect time to join a committee. Contact your PTA president for more information.

New Hot Lunch On Line Ordering System

Look for a new, improved hot lunch ordering system next fall. Thanks to Robin Bear, PTA Council Hot Lunch Chair, the new system will be more user-friendly.
